SUMMARY

As a guitarist, I have had eight years of experience. Over the years, I have learned to play many styles, including classic rock, heavy metal, folk, jazz/math rock, blues rock, classical/fingerstyle, and shred.

I have also had four years of formal musical experience. I started in instrumental ensemble my first year high school, then did marching band and concert band for a year, and then I moved on to choir for the remaining two years. I also took AP Music Theory my senior year.
